

Technology Service Corps Eligibility Requirements

An NPower NY Program

Putting technology know-how in the hands of Non-Profits

NPower NY is looking for technology-savvy young people interested in social justice to participate in Technology Service Corps!

To participate in Technology Service Corps, candidates must meet the following requirements:

- **Live within New York City's five boroughs**
- **Be between 18 and 25 years of age**
- **Be legally eligible to work in the United States**
- **Have a high school diploma or a GED**
- **Be able to commit to training 20 hours a week for 4 months**
- **Be able to attend class daily Monday – Friday, 9:00 AM – 1:00PM or 2PM-6:00 PM**
- **Have an interest in social justice work and in improving New York City's communities on the local level**
- **Be comfortable with using email, the Internet, and technology**
- **Be able to provide a completed application, with a typed letter of intent, and one letter of recommendation**
