

Technology Service Corps Program Overview

An NPower NY Program

Putting technology know-how in the hands of Non-Profits

Get **Free** Technology Training!

Advance your career!

Make a difference in your community!

What is Technology Service Corps?

Technology Services Corps (TSC) is a **FREE** job training program that prepares young adults ages 18-25 for careers in non-profit information technology by combining classroom training with a hands-on work experience.

Who Should Apply?

- Individuals aged 18 - 25
- Are Committed to Helping their Communities and to Social Justice
- Interested in a Technology Career
- Dedicated, Bright, Energetic, Ambitious
- Able to Communicate and Work Well with Others
- Have a High School Diploma or GED
- Living in NYC's 5 Boroughs
- Ready, Willing, and Legal to Work
- Comfortable with a Computer (turn computer on, surf the internet, etc.)

Why Should I Apply?

- You can help make a difference in your community by using technology. Technology skills will help advance your career in the non-profit, for-profit and government sectors.
- Opportunity to become Microsoft Certified.
- A career in information technology offers as competitive salary at every job level.

What Will I Learn?

- **Computer Fundamentals** (how a computer works, how to setup, troubleshoot, and maintain)
- **Networking** (connecting computers to the internet, making computers communicate, how to setup a network)
- **The Internet & Emerging Technology**
- **Web Development** (designing and maintaining websites)
- **How to Succeed in the Professional Workplace**

How do I get started?
